to Deposit Account No. 16-0221 with regard to the above-identified patent application. Please refer to the enclosed copy of the Deposit Account Statement. We believe that the Deposit Account charges were in error and without authorization for the reason mentioned below.

The above-identified application was filed 9/02/2003 with a total of 39 claims (6 independent) and without paying any of the filing fees. Subsequently, on 3/15/2005, we filed a Response to Notice of Missing Parts, which included the basic filing fee and surcharge for late payment. Also at this time, we submitted a Preliminary Amendment which canceled all but one claim. Since the additional claims are no longer a part of the application we request that the charges to the deposit account for additional claim fees be refunded.

Please investigate this matter and please credit our Deposit Account No. 16-0221 accordingly.

Thank you.

Respectfully submitted,

Margaret M. Slezak, Esq.

RE: Charges Made By Another Firm to our Deposit Account 08-3150

Message:

We just received our Deposit Account Statement for June 2005 and found that there are two charges made to our account which are not ours. I have circled these charges on the attached copy of the Statement. We have no idea what they are or how they got on our Deposit Account. We would like them removed and our account credited for \$1,350.00 as soon as possible.

If you have any questions, you can contact me at the above number.
